

29 stocked standard colours

Your project, your choice

Our Aluminum products are available in plain mill finish or polyester powder coated using our standard colour range on a BBA approved process. Our standard colour range includes 29 colours, however, should your project require it we can offer any additional BS or RAL colour.

We have our own state-of-the-art in house powder coating plant to ensure a high quality, durable and long lasting finish.

Colours are produced with a 30% gloss unless otherwise stated.
